

District 10 Archives Chair Report for May 11 , 2024.

Warm Greetings District 10,

I have not completed any scanning from the 2 large bins and one small bin.

The reposts I've received so far are in the Google drive & can be found here:

If you are responsible for submitting a report and would like some helpful tips navigating Google, please let me know. You can save your report to Google under the appropriate meeting month on your own or ensure I receive a copy and I will upload/save it to Google for you. I am happy to help.

Please let me know if you are experiencing any difficulty opening Google or the reports.

FYI only the email addresses listed in the D10 CMA will be able to open/print the reports (or anything else in there).

If you forward the email to a different email address to print or open the reports, it will not work.

Thank you!

With Love and Service,

Mary
